## **The Selah Center Selah Launch Team Application “Servants for LIFE”**

### **SLT Mission**

The Selah Launch Team (SLT) is comprised of volunteers who share a passion for partnering with the Selah Center for the purpose of helping to launch a pregnancy help center in Mecklenburg County, Virginia. SLT volunteers will work closely with the Selah Center Board of Directors on a variety of groundbreaking initiatives such as scheduling, staffing, planning, organizing, and administrating Selah Center awareness campaigns, educational events, and fundraisers.

### **SLT Participation Requirements**

Selah Center Launch Team Member requirements include the following: read, affirm, sign, and uphold the Selah Center’s Statement of Faith & Principles and Position paper; complete this volunteer application form; and participate in an interview with a Selah Center Board member.

### **SLT Length of Service**

While SLT participants are encouraged to “serve for LIFE,” they are not expected to serve for life. The Selah Center Board of Directors encourages SLT participants to commit to a term of one year of service. Participants are then eligible to serve for additional terms if agreed upon by the Board.

### **Selah Center Board of Director Rights**

The Selah Center Board of Directors reserves the right to decline applicants who do not meet the needs or requirements of the center and/or limit the number of participants on the SLT. Additionally, the Board of Directors reserves the right to dismiss any participant of the SLT who they deem is not upholding the affirmed principles and values of the ministry.
